

DO YOU QUALIFY FOR FUNDING TO REPLACE YOUR FAILED SEPTIC SYSTEM OR WELL?

Vermont Agency of Natural Resources

The State of Vermont has \$1 million in American Rescue Plan Act (ARPA) funding available for low- and moderate-income homeowners to replace a failed or inadequate well and/or septic system. This funding will ensure Vermonters have access to safe, reliable drinking water and wastewater disposal.

1. Find Out if You Qualify

Review the Application Instructions:

<https://bit.ly/3hmXUIP>

Use the QR code to start the application or visit:

<https://forms.office.com/g/UPQ7DN9prR>

Eligibility Requirements:

- A failed or inadequate drinking water or wastewater system
- Residential property owners who own and reside on the property
- Single units or owner-occupied multi-family homes, up to four units
- Households earning up to \$120,000

2.

Apply by April 15

3.

Verify Your Eligibility

- State officials will reach out to you to submit your W-9, Social Security Number, Vermont Homestead Declaration, and Household Income Form
- A state official will conduct a visit to confirm system failure

View your award notice to find out more about starting the design, permitting, and/or construction phases
